D.R. Horton - Schuler Division presented a \$100,000 check to Easter Seals Hawai'i in March during a ceremony at Napuakea, Easter Seals Hawai'i's new West O'ahu facility. Scheduled to open later in the summer, Napuakea will provide services to more than 500 West O'ahu families, and will house programs including early intervention, youth services, occupational, physical and speech therapies, adult health and workforce development. The donation by D.R. Horton - Schuler Division will help fund critical programs for infants, children, youth and adults with disabilities or special needs from 'Ewa to the Wai'anae Coast.
